

Orientation To Make Dis-Orientated

**Clinical Biochemistry Laboratory
Sir T Hospital, Bhavnagar**

**Total 14 Slide
No Any Major Theory
Nothing to Gain and Nothing To Loose**

What do we have ?????

**I think ,
You do not have
concerned for it.**

What will get from us ?

Frequent Break Down of Our Instruments

Frequent Un-Availability of Some Investigation

And

In All These Hurdles

Our R1

“Can not” attend your call

All the time

As We Are Missing Luxury

of

Multiple Resident Doctors

Multiple Units

Multiple Instruments

But Still

With All Limitation We Provide Report

- Online Access -**
- On Your Mobile -**
- With In 4 Hours -**

WhatsApp Group

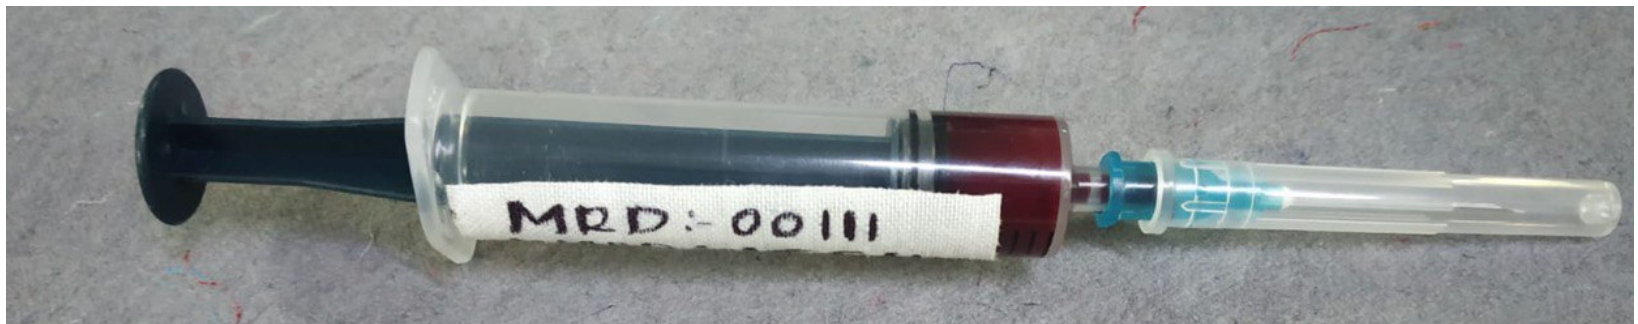

- To Provide Immediate Action on Sample**
- To Inform Critical Report**

Some Special Pre-Caution In Sample Collection

Laboratory can easily detect

- Sample Volume
- Clot
- MRD

Arterial Sample Require

- **Minimum 1.0 ml ----- Maximum 2.0 ml**
- **With Heparin as Preservative (Anti-coagulant)**

Requirement of Heparin in ABG Sample

0.1 ml Heparin + 2.0 ml Blood
0.05 ml Heparin + 1.0 ml Blood

Minimum Information Require

- **On Request Form**
 - Name of Patient
 - MRD
 - Unit / Department (to inform critical value)
- **On Sample**
 - Full & Correct MRD
 - Full name (to verify MRD)
